

Hello Trilogy Residents/Neighbors

I have been a resident of Trilogy since 2020.

As a single parent, I worked full time while pursuing my Bachelor of Science Degree in Accounting with a minor in Economics at Kean University.

For 35 years, I utilized my skills in Accounting, Auditing, Budgeting and Taxation in both the Private and Public Sectors with having spent the last 15 years in Public Schools as a School Business Administrator. My responsibilities included the following:

Prepared annual budgets, ranging from \$12 to \$19 million dollars.

Managed the daily finances of School Districts.

Negotiated service contracts yielding annual cost savings to the Public School Districts ranging from \$55 to \$200 thousand dollars.

Supervised payroll, accounts payables/receivables departments and custodial/maintenance staffs.

I have served on Negotiation Teams for Public School Teacher's Contracts and volunteered on several Finance Committees/Councils for local organizations. My most recent contribution was to The Cascades of Groveland's HOA Audit Task Force and Finance Task Force.

I would appreciate your Vote to serve as a Director on the Board for The Cascades of Groveland HOA.

Sincerely,
