Personal Objective

To ensure our community maintains a "Resort-like atmosphere" and high quality of life, in a fiscally responsible manner.

Community Involvement

- Landscape Committee for three years, including two years as the committee chairman.
- Operations Task Force member, prior to it becoming a committee. I remain with the committee, acting in an advisory role, assisting in Scope of Work requirements and source selection.

Experience

- Program Manager: Responsibilities included vendor contract oversight, source selection process, developing the following documents in preparation for source selection: Sources Sought Notice (SS), Request for Information (RFI), Statement Of Work (SOW), Request For Proposal (RFP), Performance Work Statements (PWS), System Requirements Document (SRD) and Facility Requirements Document (FRD).
- Air National Guard Air Refueling Functional Manager: Overseeing training, readiness and deployment requirements for 19 Air National Guard Wings that encompass 21 KC-135 Air Refueling Squadrons. This position required knowing and interpreting FAA, DOD, AF, AMC, NGB, and ANG guidance and regulations.
- Air Force certified Aircraft Simulator Certification Technician.
- Team Lead for Government Acceptance Inspection on various aircraft simulation training systems.
- Established and managed logistical life cycle requirements for simulation and other training systems.
- 29 years of service in the Air Force and Air National Guard including 3,000+ hours of flight time and 35 combat sorties.
- 17 years as a volunteer fire fighter.
- Started a successful small business that my wife Terri and I owned and operated for 6 years.
